

Hearing Service Plan

- 12% of the US population has some form of hearing impairment.
- Hearing loss is the #3 chronic health problem in the country.

Hearing is one of the natural senses that allow us to enjoy life and the world around us. Protect your hearing with the EPIC Hearing Service Plan, a value-added provided by The Dental Care Plus Group.

With EPIC, you and your family can save up to 30-60% on hearing devices and services. Because this is not an insurance plan, there are no premiums to pay or claims to file. Access EPIC with just one call and you will save right away on hearing care, name-brand hearing aids and batteries:

How To Access Your Hearing Service Plan:

- To access this discount service program, call 1-888-899-1485 and speak to a Hearing Counselor.
- The Counselor will assess your needs and refer you to a hearing professional on EPIC's national provider network.
- You will receive an EPIC Hearing Service Plan booklet by mail that outlines the program, products and pricing. No card is necessary.
- A Hearing Counselor coordinates all referral paperwork and you set up an appointment directly with an EPIC provider.
- The provider will send a hearing report to your EPIC Hearing Counselor, who will determine whether additional steps are needed for a treatment plan. EPIC Hearing Counselors will:
 - Coordinate EPIC discounts with your medical insurance coverage.
 - Handle payment of services to ensure your discounts.
 - Assist in a 45-day trial period of a hearing aid - selecting, fitting, tuning and training members on the device. Plus providing a year of free batteries.
