

Dear Parent/Guardian,

Today your child learned about personal safety through our Safe Environment Early Childhood Program provided by our Diocese. Within this lesson, your child listened to the story, "Designed By God So I Must Be Special." After discussing the story, the class learned about safe and unsafe situations and did some role playing to reinforce this concept. The children used safety signs (Red:NO; Yellow:TELL; Green:SAFE) to play a game to help them realize when they need to say NO, TELL an adult or to reinforce that the situation is SAFE.

Parent Follow-UP

We recommend that you talk about this lesson with your child. Listed below are a couple books that we recommend for you to reinforce this lesson at home.

- "The Berenstain Bears Learn About Strangers"
- "The Ugly Duckling"
- You can also find "I Am Special" song by Dr. Thomas Moore on You Tube. We sang this song to remind the children that they are a special part of God's family.
