

2015-2016 ACUE Honor Roll

The Alliance for Catholic Urban Education

Honors our Wonderful Donors and Volunteers

July 1, 2015 — June 30, 2016

My dear friends in Christ,

I am honored to present the 2015-2016 Alliance for Catholic Urban Education Honor Roll of Donors in which all donors who contributed to ACUE from July 1, 2015 to June 30, 2016 are listed. Truly, I am humbled by our donors, whose selfless support provided more tuition assistance and programming for our urban elementary school students than ever before. They are a blessing to me and to those we serve. May our donors fully experience the grace of knowing they have helped ACUE children become all that God has intended. May they be richly blessed in return for their kindness and generosity.

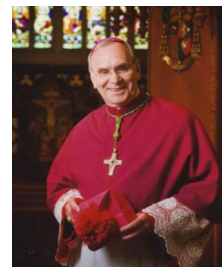

The 2016-2017 ACUE Annual Appeal is currently underway and will conclude on June 30. I hope you will join me, if you have not done so already, in continuing to support our economically disadvantaged students with the priceless gift of a quality Catholic education. As always, I thank you for your kind consideration and ask for your prayers for the ministry and for me. Be assured of our prayers for you.

Yours gratefully in the Lord,

+ Roger J. Foys

Most Reverend Roger J. Foys, D.D.

The ACUE Parishes

The 13 urban parishes of the Diocese which comprise the Covington Deanery contributed 35% of their weekly collections toward the operation of the six urban elementary schools. What does that 35% mean? Support from our urban parishes amounted to approximately \$900,000 in the 2015-2016 academic year. Each year, it represents a tremendous sacrifice made by the parishes in support of our schools. ACUE is sincerely appreciative of the blessings each parish provides to our students.

Effective July 2016, thanks to our donors' wonderful support of the ACUE annual appeal, the urban parish contribution was lowered to 30% of their weekly collections. Further reduction in parish participation is an ongoing goal of the appeal.

Dear Friends,

On behalf of the Department of Catholic Schools, I thank all of our ACUE donors for their investment in the ACUE mission and their dedication to urban Catholic education. We are especially touched by their compassionate concern for the many economically disadvantaged children and families we serve.

I am very happy to report that ACUE once again had another record-breaking year of fundraising. The trajectory of growth in support of the ACUE ministry has been amazing, to say the least, and speaks volumes about the kind and generous people of our Diocese.

The 2015-2016 ACUE annual appeal, led by Mr. William P. Butler as honorary leadership chair and Mr. Paul Smith as general chair, raised over \$870,000 in tuition assistance and program support, a new record by nearly \$150,000. We extend to them our heartfelt thanks and congratulations. Mr. Smith also served as general chair for the 2014-2015 appeal, yet another record-breaking appeal. We cannot thank him enough for his leadership. Mr. Smith's passion for the ACUE ministry was joined this past year by that of the 55 volunteers who made a total of more than 300 leadership calls on behalf of the appeal. We thank them as well for their assistance.

While everyone is truly grateful for the appeal's success, what is truly exciting is what all of this means for our children and families. Our typical ACUE family can only afford to pay on average 35% of its student's cost of education. There is little doubt that the annual support of ACUE donors has had a tremendous impact on the lives of our students.

The consistent growth of the appeal has allowed another important development, a reduction in the financial participation required of the 13 urban parishes in support of the ACUE schools. When ACUE was established, the participation rate for

ACUE parishes was set at 40% of their weekly collections. This year, parish participation was reduced to 30%. Of course, this reduction now places further emphasis on the ACUE appeal for sustainability of the ministry and, in turn, makes us all the more grateful for the thoughtful support of our donors.

We extend our thanks to **Sister Maria Therese Schappert, SND** for her seven wonderful years of leadership as principal of St. Augustine School in Covington. Since 1875, a Sister of Notre Dame of Covington has served the school as principal. Sister's departure brings this era to a close. We thank the Sisters of Notre Dame for their tremendous leadership over the years at St. Augustine School and wish Sister Maria Therese well as she becomes more involved in the leadership of her religious order. **Mrs. Kathy Nienaber** assumed the role of principal at St. Augustine School on July 1, 2016.

Sadly, on October 31, 2016, we learned of the sudden passing of **Diane Russell**, beloved principal at Holy Family School in Covington. For 24 years, Holy Family School was such a significant part of Diane's life and her heart. She was completely dedicated to the school. We offer our continued prayers and condolences for the Russell Family as well as Diane's family at Holy Family School. May she rest in peace.

Ms. Elizabeth Vieth, one of Diane's protégés has been appointed the new lead teacher/principal at Holy Family School. Ms. Vieth shares Diane's passion for the school's mission and compassionate care for its students.

Leadership Organizations

A grateful salute is given to Corporex and The Butler Foundation by elementary students of Holy Trinity School, Bellevue.

Representatives of Corporex/ The Butler Foundation are pictured with Bishop Foys and representatives of ACUE and the Diocese: (left to right) Mike Clines; Very Reverend Ryan Maher, V.G.; Very Reverend Daniel Schumacher, V.G.; Therese Lusby, Executive Assistant, The Butler Foundation & Corporex; Barbara Schaefer, Executive Director, The Butler Foundation; William P. Butler, Chairman/ CEO, Corporex; Martin Butler, Board Chair, The Butler Foundation.

In each of the five previous annual appeals, **Corporex** and **The Butler Foundation** graciously offered a matching grant in the amount of \$25,000. The match applied to new and increased contributions to ACUE and was tremendously instrumental in the growth of the ACUE annual appeal each year it was offered. For the 2015-

2016 ACUE appeal, the match was *doubled* to \$50,000. But that was not all. The Foundation then made a commitment to continue the \$50,000 match for an additional four years for a total of \$250,000 over five years. ACUE students have benefitted significantly from The Butler Foundation partnership with ACUE, and we are very grateful that their wonderful support will continue.

St. Elizabeth Healthcare very generously increased their annual support from \$5,000 to \$50,000. This gift sponsored up to 25 students at our six urban elementary schools. This assistance is life-changing for the students as they strive to reach their full God-given potential.

St. Elizabeth Healthcare is recognized with appreciation by the 1st and 2nd grade students at Holy Cross Elementary School, Latonia.

St. Elizabeth Healthcare representative, Tony Helton, and his wife, Kym, were photographed with Bishop Foys at ACUE's September recognition event. Tony is a Vice President at St. Elizabeth and is a longtime dedicated ACUE Development Advisory Board member. He is a wonderful asset to the ACUE mission.

ACUE Major Donor Recognition Event

ACUE takes stewardship of donor contributions very seriously. This is why several benefactors have fully underwritten the expenses associated with the ministry's major donor reception at the Metropolitan Club. Our donors may be assured that their contributions have been directed to the support of our ACUE schools and students.

2016 Faith, Hope & Inspiration Award

In 2016, ACUE recognized posthumously the many significant contributions made by **Mr. R.C. Durr**, whose charitable foundation has given \$200,000 to ACUE over the last seven years with an additional \$52,000 in pledges over the next two years for tuition assistance as well as science and math enrichment. The R.C. Durr Foundation, Inc. has been one of the earliest, most generous and most consistent supporters of the ACUE ministry.

The 2016 Faith, Hope & Inspiration Award recalls Mr. Durr's generous nature as it also honors the work of his foundation. **Mr. Wilbert Ziegler**, President and CEO of **The R.C. Durr Foundation, Inc.** accepted the award. Mr. Ziegler and the other trustees were thanked for their commitment over the years to the ideals of Mr. Durr, which have meant so much to the quality of life in our northern Kentucky region. ACUE is particularly grateful for the impact the foundation has had on our ministry and the children we are so blessed to serve. The spirit of Mr. Durr lives on through his foundation and continues to be an inspiration to us all.

Mr. Wilbert Ziegler, President and CEO of The R.C. Durr Foundation, Inc. is pictured holding the 2016 ACUE Faith Hope and Inspiration Award presented by Bishop Foys. The 2016 award honors the charitable legacy of Mr. R.C. Durr. Pictured with Mr. Ziegler and Bishop Foys are Very Reverend Ryan Maher, V.G., Very Reverend Daniel Schomaker, V.G., Mark Guilfoyle, ACUE Advisory Board Chair; Michael Clines, Superintendent of Catholic Schools and Beth Ruehlmann, Director of Development for Catholic Schools.

Mr. R.C. Durr

Past Recipients of the Faith, Hope & Inspiration Award

2014 - Ralph and Irma Drees

2015 - Bill and Sue Butler

R.C. Durr (1919 - 2007), a native of rural Kenton County, Kentucky, successful farmer, road contractor, investor and banker, is remembered for his great generosity to charitable causes and individuals during his lifetime, and after his death, through his charitable foundation, The R.C. Durr Foundation, Inc. Taking a \$300 gift from his aunt intended for college tuition, he instead bought a pickup truck and went to work building a most successful business career.

But Mr. Durr never forgot those most in need. Whether it was local pastors seeking help for a parishioner in difficult times, Catholic Sisters from southern Kentucky asking for help for their students, the agencies serving the homeless or organizations feeding the hungry who found his door, all literally and figuratively left Mr. Durr's office with a check in hand.

Mr. Durr was not a Catholic, but he gave to many Catholic charitable causes without hesitation. When questioned about why he would give to another faith's organizations, he would cast a quick glance heavenward and slowly reply, "...just in case."

Mr. Durr was a great supporter of education and he reached out to those least able to provide for themselves. ACUE is a prime example of an agency that would touch Mr. Durr deeply and receive his strong support. He would have been honored to know that he received the 2016 ACUE Faith, Hope & Inspiration Award.

- Mr. Wilbert Ziegler, President and CEO, The R.C. Durr Foundation, Inc.

Christ the Teacher Society

The Christ the Teacher Society was initiated by ACUE in 2013 as a way to recognize cumulative gifts to the ACUE annual appeal of \$1,000 or more by individuals, family foundations and religious congregations. ACUE has been honored to witness considerable growth in the society's membership over the past several appeals with the 2015-2016 appeal providing our most significant increase. We are blessed to recognize and welcome the following members to the 2015-2016 ACUE Christ the Teacher Society.

Maryellen and Steve Pujol have been very generous over the years toward our ACUE students in need of tuition assistance. Several years ago, they were recipients of a *Christ the Teacher* reproduction print that was gifted to the inaugural members of the ACUE Christ the Teacher Society. The Pujols display their print in a place of prominence as it greets all those who enter their home. We are grateful to the Pujols for their many kindnesses to our students.

The original of this image of *Christ the Teacher* was painted for ACUE by Sister Mary Emmanuel Pieper, OSB, as commissioned by the ministry's dear friends, **Bill and Jean Zeck**. The original was presented to **Ralph and Irmaleen Drees** as recipients of the first ACUE Faith Hope and Inspiration Award. The reprints were also commissioned by the Zecks as gifts from Bishop Foy to the members of the ACUE Christ the Teacher Society in 2013-2014. We are touched by the special meaning the prints bring our donors as remembrance of their kindness and generosity to our ACUE children.

Estate Gift for ACUE Ministry

ACUE would like to acknowledge the beautiful gift provided through the estate plans of **Mr. Lawrence J. Kemper, Jr.** of Cincinnati and formerly of Covington. Mr. Kemper named ACUE as beneficiary in his will, which is considered the ultimate gift for any organization. Mr. Kemper was a regular, but modest, donor to the ACUE Annual Appeal. However, his estate gift, which we received in June of 2016, will have a significant impact for the ACUE children who depend on financial assistance to receive a Catholic education.

May our kind and thoughtful benefactor rest in eternal peace.

Kit Andrews has been an ambassador for the ACUE schools for many years. In her efforts to promote the ACUE mission, she has entwined her love of baking with her fondness for our urban elementary schools and students. First, she promoted our mission through the Pastry Wars that she developed in partnership with **Busken Bakery** and **Remke Markets**. Each year that the competition was in place, ACUE's tuition assistance fund received several thousand dollars. More recently, while helping her friends at **Newberry's** in Newport with their Sunday coffee shop, she baked cookies and packaged them as hostess gifts for sale during the Christmas season (2015), all to promote ACUE and support our tuition assistance fund. Kit is such a lovely person, and it is truly an honor to know that ACUE has such an important place in her heart. We love you, too, Kit!

Kit Andrews, ever the ACUE ambassador and a new resident of Newport, helping her friends at Newberry's on Washington Street.

The ACUE Mission Statement

The Urban Schools are a vital mission of the Catholic Church in the Diocese of Covington. These Schools provide an exemplary Christ-centered moral and academic education to the young and provide a foundation that contributes to present and future solidarity and quality of life in the urban areas of Northern Kentucky.
