

The Marriage Journey

Jesus used parables to inspire people to learn, understand and grow in love and faith. Behind every face there's a story, and this is true of every couple. On our marriage journey we have ups and downs, challenges and successes—each couple has a story. In Catholic Christian Community the sharing of our story is a gift we give to one another in the service of Catholic Christian love, to help us learn from one another and become stronger as a couple. You are invited to an experience of Catholic Christian Community.
